

Cultural Pass Policy

The Lawrence Public Library offers a variety of cultural passes for your enjoyment. The following is a list of guidelines related to our cultural pass program.

- Passes may be borrowed by anyone 16 and older holding a Lawrence library card.
- Passes may be reserved in person or by phone. Reservations are two per household, per month.
- When available, passes may be picked up one day in advance of the reservation.
- If passes have not been reserved by Lawrence patrons, same day reservations from patrons from other consortium member libraries will be honored after 10AM.
- If a patron decides not to use the pass we ask that they please cancel their reservation with as much notice as possible so that another person may use it.
- Returnable passes should be checked in by 10 a.m. the following day.
