Applicant must notify the Water Department and schedule inspections by calling 978-620-3580 or 978-620-3110 at least 48 hours prior to backfilling service trench. If service is being replaced, the current service must be shut off at the corporation; failure to shut off service will result in additional service charges. A water meter must be installed for each service entering a building at a location approved by the Lawrence Water Works. A corporation stop, curb stop, and curb box must be furnished for each service. All materials must meet City and AWWA standards.

The undersigned requests to have a Water Service installed at the Property Location provided above, and hereby agrees to all Ordinances of the City of Lawrence, and all Rules & Regulations now in force, and those which may be adopted in the future, relating to the Lawrence Water Works, and to pay the assessed rates set forth within these Ordinances and Rules & Regulations.
