Re: Applications for Abatement of Real Estate Tax **Fiscal Year 2026**

Dear Taxpayer:

- 1) All requests for abatements **must** be submitted on the proper form (State Form #128). Letters addressed to the Board, telephone, and counter conversations explaining problems **are not considered acceptable application submissions.**
- 2) All abatement applications **must** be received by the Assessor's Office on or before **Monday, February 2, 2026, at 4:30 P.M.**
- 3) Items of support that **must** be attached or accompany applications are, but not limited to, the following:
 - A) Copies of any recent property appraisals that should reflect the current assessment dates. Remember, you are concerned with a value that was reflected as of the **assessment date, January 1, 2025**. Also, bear in mind that your appraiser may be called in to support his or her appraisal.
 - B) If the property in question is income-producing, then, along with the application and appraisal, any income and expense statements must also be submitted.

*An application must be submitted for each property that you are appealing. **Should you wish to have a hearing before the Board, please indicate this on your application at the time of filing.** The Assessor's Office will then contact you with a date and time. You must understand that the Board of Assessors has three (3) months (90 days) from the date of receipt of your application to render a decision. Once the Board has reached a decision, you will be notified by mail.*

YOUR RIGHTS IF DENIED OR IF NO TIMELY DECISION IS REACHED
