ADDENDUM #2

Bidders must use the **SECTION 5 BID SUBMISSION FORM (revised 10-27-16)**

SECTION 5 BID SUBMISSION FORM (revised 10-27-16)

ESTIMATED QUANTITIES: The below estimated quantities do not guarantee the actual amount that will be purchased during the year, but the total amount will be used in determining and evaluating the low bidder. Quantities represent a three year contract estimation.

A housing unit (unit) is one of a house, apartment, mobile home, group of rooms or single room, which are occupied or intended as separate living quarters. The separate living quarters that define a housing unit are those where the occupants live and eat separately from other residents in the structure or building, and have direct access from the building's exterior or through a common hallway.

A property is a building containing one or more residential housing units.

Bidders shall list their unit price where indicated on this sheet. **Any other services, prices or the like that is offered by the vendor that was not asked for in this IFB will be considered conditional and may result in the rejection of your bid.**
